

# Archive Migration As You Need It To Be

Simply Implemented, Reliably Delivered

Multiple Archive Sources

Migrated Rapidly

or

to Cloud or On-Premise

Moving the right data.... your way. That's what we do. As specialists in archive migration, we've been successfully moving significant quantities of data for our clients for years. We can help in one of three ways:

## Platform Only

Analysis  
Planning  
Design

## Assisted Migration

Build  
Configure  
Pilot

## Managed Migration

Deploy  
Train  
Manage

Your Success is guaranteed. Backed by Akaibu's satisfaction and performance guarantee, whether you are a partner or client, you can rely on Akaibu Evolve to succeed with the following platforms.

Rapid : Responsive : Reliable
